

EKTA'S ELDER & PALLIATIVE CARE CENTRE

Compassionate Care for Every Stage of Life

EKTA'S ELDER & PALLIATIVE CARE CENTRE is a trusted name in providing comprehensive and compassionate healthcare support for elderly individuals and patients with chronic or life-limiting conditions. As a leading **Palliative Care Centre in Thane**, our mission is to enhance the quality of life by offering personalized care that focuses on comfort, dignity, and emotional well-being.

With the growing need for professional elder care, we bridge the gap between hospital treatment and home recovery. Our services are designed to ensure that patients receive continuous attention and medical support in a familiar and comfortable environment. We believe that healing is not just physical—it also involves emotional and psychological support.

Our team consists of qualified nurses, trained caregivers, and healthcare professionals who are dedicated to delivering reliable **Home Nursing Services Thane**. We aim to provide holistic care solutions that cater to the unique needs of every individual.

Our Vision

To become the most trusted [Palliative Care Centre in Thane](#), known for compassionate care, professionalism, and commitment to improving patients' lives.

Our Mission

- To provide high-quality **Nursing Care at Home Thane**
 - To support families with reliable caregiving solutions
 - To ensure comfort and dignity for every patient
 - To deliver accessible and affordable healthcare services

Page 2: Our Services

1. Home Nursing Services Thane

We provide expert **Home Nursing Services Thane** for patients who require medical care at home. Our skilled nurses assist with:

- Medication management
- Wound care and dressing
- Vital monitoring
- Injection and IV administration
- Post-surgical care

Our goal is to ensure that patients receive hospital-quality care without leaving their homes.

2. Nursing Care at Home Thane

Our [Nursing Care at Home Thane](#) is tailored to meet the specific needs of each patient. Whether short-term recovery or long-term support, we offer:

- Daily health monitoring
- Assistance with mobility
- Personal hygiene care
- Feeding and nutrition support
- Bedridden patient care

This service ensures comfort, safety, and independence for patients in their own environment.

3. Post Hospitalization Care Thane

Recovering after hospital discharge can be challenging. Our **Post Hospitalization Care Thane** ensures a smooth and safe transition from hospital to home. Services include:

- Follow-up care and monitoring

- Medication supervision
- Rehabilitation support
- Prevention of complications
- Regular health assessments

This helps reduce readmissions and speeds up recovery.

4. 24 Hour Caregiver Services for Elderly in Thane

We offer dedicated **24 hour caregiver services for elderly in Thane** to provide round-the-clock support. Our caregivers assist with:

- Daily activities (bathing, dressing, grooming)
- Mobility and fall prevention
- Companionship and emotional support
- Meal preparation
- Night-time assistance

This service ensures peace of mind for families and continuous care for seniors.

5. Palliative Care Services

As a specialized [**Palliative Care Centre in Thane**](#), we focus on improving the quality of life for patients with serious illnesses. Our care includes:

- Pain and symptom management
